Oct. 20 Web Meeting

1. *New documentation available for Administrative Preferences, on the Reference Shelf section of the SELPA Manager web site*

2. *Medi-Cal attendance register with actual time*
   - **Extra check box for actual attendance (like standard register).**
   - **Actual attendance is automatically assumed on web print requests.**

3. *CASEMIS Table A-B-C exports for selected students*
   - **Enable export to other SISs.**

4. *Updated home page display with color progress bar*

5. *Individual color-coded tabs (DFL6)*
   - **Accessible from Options dialog for DFL6.**

6. *Simplified Section 4 check box (DFL6)*
   - **Displays only minutes and "frequency (other)" for non-infant, non-MHS services.**
   - **If a "Require either…" date is specified (System 2), the web services form will require these two items.**

7. *Copy PLAA info button (DFL6)*
   - **Form 2 (PLAA) and Form 26A (Summary of Acad. Achievement – A) now use separate fields.**
   - **Button copies information from related PLAA items onto Form 26A.**

8. *Custom IEP completion requirements (DFL6)*
   - **Accessible from Options dialog for DFL6.**
   - **Can exclude earlier DFL6 IEPs based on creation date.**

9. *Caseload summary report with completion (4D Client)*
   - **Use Report Assistant to access.**

10. *Requests*
    - **Attendance online help for users**
    - **Add ethnicity names / codes to the At A Glance form**
    - **Check for pending changes to Form 3B (Statewide Assessments)**
